Sir,

Adverting to instructions issued to the Deputy Commissioner Treasury Department, Mysore District, in the Comptroller's No Munzrai 7040/309 dated 13th June 1906, copy enclosed, I have the honour to state that the Comptroller has reduced the expenditure under the marginal heads to monthly allotments. The amounts debitable to these heads being fluctuating in their nature, varying with the local needs for the time being, a monthly limit to them is likely to cause serious inconvenience in practical working.

2. The sum of Rs. 6 provided for Virabhadrakonda is paid generally in a lump sum once

for all about December each year.

3. The scholarships are revised and settled once quarter by the Committee in accordance with the results of the quarterly examinations. Nor is it easy or convenient to lay down a monthly limit to the charges under Contingens a changeable item by its very nature.

4. Every care will be taken to see that the expenditure under these heads will not without previous sanction exceed the annual limits laid down therefor.

5. I beg accordingly to request that the Government may be pleased to instruct the Comptroller to admit the charges incurred by the College under the heads in question within the annual limits fixed by the Government therefor as noted in the margin.

Item.	Annual limit
Scholarships:-	Rs: 3852.
Contingencies:	150
Viabhadrakonda:	6
	Total Rs: 4008
